MEMORANDUM FOR: See Distribution

SUBJECT: BLACK SHIELD Weekly Briefing

1. This memorandum supersedes OXC 6248, dated 18 June 1965, same subject.

2. The current progress of BLACK SHIELD will be presented to General Ledford at 1430 each Thursday. This will be in the form of a briefing within the Control Center, OSA. This status will be as of 1800 hours local time at the preceding Friday.

3. Charts for this presentation will be maintained and posted by Control Center personnel. To augment the charts, a book will also be maintained by the Control Center and will provide more detailed information. Offices responsible for the input of information will be provided a worksheet on which to submit the information. Worksheets must be in the hands of Control Center personnel by 0900 each Wednesday. Intermediate information may be provided during the week; however, the basic charts will not be changed. Instead, temporary notes may be made (in the remarks column) on both the charts and book. These temporary notes should be included in the worksheets for the close of business on the following Friday.

4. Alteration of briefing material will not be effected by verbal notification. A worksheet will be required for all changes and these will be filed by the Control Center for reference. A representative from each input office is requested to review the charts between 1100 and 1200 each Thursday for accuracy of posting on information submitted.

5. The large briefing charts will remain within the Control Center and will not be removed. The BLACK SHIELD book may be removed only by the Office of Assistant Director, OSA, or Deputy for Field Activities, OSA. However, this
